It's Not Worth the Gamble

Anyone under 21 years of age may not watch others gamble, participate, play, place wagers, or collect winnings, whether personally or through an agent, in or from any limited gaming game or slot machine.

If you get caught, there are consequences:

- Arrest and fines
- A conviction on your permanent record
- Risk of problem gambling and other addictions

The Division of Gaming is working to prevent underage gaming and lingering through education and communication.
