Renew a Vendor Minor License

How to Renew

There are two ways to renew a Vendor Minor license with the Division of Gaming: online renewal or PDF application.

Renew Online

A Vendor Minor license may now be renewed online. **The license fee is \$350.00.** You will need to create a user ID using your email address in order to access the renewal site. This service is also available for updating demographic information.

Requirements for online renewal applications are the same as if you visit one of the Division of Gaming's locations or mail in an application. You should be in good standing with all Gaming Regulations before attempting to renew online. You have ninety (90) days to renew your license before it expires. Do not try to renew online the day before your license expires. If you have questions or concerns, please visit one of our offices or call (303) 205-1300.

To renew online, ensure you have the necessary information available to upload electronically before beginning the online application.

A credit card is necessary for making payments online and users will be charged \$.75 per transaction plus 2.25% of the amount of the service fee. Submissions will not be accepted once your badge expiration date has passed.
